Subject :	Update of Appendix L – Chapter III “Drivers’ Equipment” - Art. 2 “Flame-resistant clothing”
------------------	---

Dear Sir or Madam,

We hereby inform you that the FIA has updated Article 2 “Flame-resistant clothing” of Chapter III of Appendix L to the International Sporting Code, which can be found on the FIA website at the following link: <https://www.fia.com/regulation/category/123>.

The objective of the update is to include the further implementation of FIA Standard 8856-2018. According to the updated implementation plan, FIA Standard 8856-2018 will be compulsory in the following competitions from the date indicated below:

- * Formula E from Season 6
- * Formula One World Championship from 2020
- * WEC from Season 2020-2021
- * FIA World Rally Championship, if listed as a Priority 1 driver, from 2020
- * Formula 2 from 2021
- * FIA World Rallycross Championship, for all drivers, from 2021
- * FIA World Cup for Cross-Country Rallies from 2021
- * FIA European Rallycross Championship, for all drivers, from 2024

We would also like to reiterate that manufacturers will not be allowed to manufacture clothing as approved according to the old FIA Standard 8856-2000 from 31.12.2021 and Appendix L will not authorise the use of clothing according to FIA Standard 8856-2000 after 31.12.2028.

We remain at your disposal for any further information you may require.

Yours faithfully,
Nuria Encinas
